News

There isn't any. Because of the caravanners we weren't able to shoot in August. And there is no gossip either, unless you know some you haven't told me about. I have just had some work done on my heating system. The good thing was that when I cleared out my airing cupboard I found my archery net. This means that I have a greater range of places in my garden to shoot safely.

Rules of Shooting

On the Clickers website it states that the new printed copy of the AGB Rules of Shooting will be on sale sometime in October. If you want to read the electronic copy for nothing, provided by AGB, you will find it on our website. Note that there are no handicap and allowance tables in it.

New members

Please keep your eyes and ears open for folk who might be interested in archery. Don't forget that there is a lot of information on our website about the club and about starting out in archery. So anyone who you think is a possible, please give them the website address and my, or Jon's, email address.

Shooting dates

A reminder that there will be no shooting on September 12th because of Duke of Edinburgh Award campers. Hope to see you all on the next shooting date, the 5th September.

The arrangements for the indoor season have now been made. It will start on October 3rd. There has been a change of time. We will now shoot from 9 to 11 o'clock. Yes, there is such a time on Sunday.

Website

Type cromerarchers.org.uk into your browser or click the link. You will see the club's website. Remember its **your** website so tell me what **you** want to see on it.
